APPENDIX III

Species list of trees and lianas in permanent plots

PIN, Pinang Pinang Plot

PAT, Pinang Pinang Atas Transect

 r, old-growth forest on ridge (subplot 12-30)

 v1, secondary forest on SE slope (subplot 31-37)

 v2, secondary forest on NW slope (subplot 1-11)

PBA, Pinang Pinang Bawah Plot

GAJ, Gajabuih Plot

AIR, Airsirah Plot

GAD, G. Gadut Plot

Number of plot trees/lianas in Dec. 1987 for each species in family name order: Trees/lianas ≥ 8 cm in dbh for PIN and GAJ, those ≥ 5 cm for other plots. Compiled by T. Kohyama and M. Hotta.

Species List for 6 Plots
