ITINERARY

Date	Personnel	Subject
16 Nov. 1987	Hotta, Okada, Kohyama Kato, Ichino, Erizal	Left Osaka to Seoul
17 Nov.	"	Left Seoul to Singapore
18 Nov.	Hotta, Okada, Kohyama	Left Singapore to Jakarta
19-21 Nov.	Kato, Ichino	Stayed in Jakarta for formalities and visited LBN, BIOTROP, and BAKOSURTANAL in Bogor
22 Nov.	"	Left Jakarta to Padang
18 Nov.	Erizal	Left Singapore to Padang
23 Nov.	Hotta, Okada, Kohyama Kato, Ichino, Erizal	Visited Rector of Andalas Univ. and Dean of FMIPA for reporting the start of the research
24 Nov.	"	Preparation for field research
25 Nov.	Amsir B. (head, SNS) Yudahar H. (head, Dept. Biol.), Idrus, Rusjdi Syahbuddin, Hotta Okada, Kohyama, Kato Ichino, Erizal	All-member meeting for discussing about the focus points of the present research
26 Nov.	Hotta, Okada, Kohyama Kato, Ichino, Erizal Zozy (student of FMIPA)	Preparation for first field research to Ulu Gadut
27 Nov. -5 Dec.	Hotta, Okada, Kohyama Kato, Ichino, Erizal Idrus, Syahbuddin Rusjdi, and 5 students of FMIPA: Andi, Nursal In, Windra, Danil	The first field research in Ulu Gadut region (tree census in permanent plots and preliminary observation of plants and insects around permanent plots)
6-7 Dec.	Hotta, Okada, Kohyama Kato, Ichino	Data input, and making herbarium and specimen in Ulu Gadut Campus
8 Dec.	Hotta, Okada, Kato Ichino	Preliminary observation of <i>Impatiens</i> populations around Danau Diatas and Danau Talang
8 Dec.	Kohyama, Erizal and 3 students of FMIPA: Windra, Yendra, Busri	Tree census in Airsirah plots
9 Dec.	Hotta, Okada, Kato Ichino, Kohyama, Erizal Zozy	Making herbarium and specimen, and preparation of the second field research in Ulu Gadut
10-16 Dec.	Hotta, Okada, Kato Ichino, Kohyama, Erizal Idrus, Yendra, Windra Zozy	The second field research in Ulu Gadut Region (collection of cytological materials, observation of pollination of <i>Musa</i> spp., tree sapling census, growth analysis of <i>Schismatoglottis</i>)

Date	Personnel	Subject
17-18 Dec.	Hotta, Okada, Kato Ichino, Kohyama, Erizal	Data analysis and treatment of collected materials
19-21 Dec.	Hotta, Okada, Kato Ichino, Rusjdi, and 2 students of FMIPA: Bujang, Anes	Research trip for observing biology of <i>Nepenthes</i> spp. and <i>Impatiens</i> spp. around Harau, Kelok Sembilang, Panorama Selat Malaka, and Maninjau
19 Dec.	Kohyama, Erizal, Zozy	Preparation for field research in Ulu Gadut
20-26 Dec.	Kohyama (2 students, Windra Budi join on 22 Dec.)	The third field research in the Ulu Gadut Region (adding number trees, mapping gap distribution, and sapling census)
20-24 Dec.	Erizal	Data analysis and discussion with staffs of Andalas Univ. for further research plan
22-23 Dec.	Hotta, Okada, Kato Ichino	Data analysis and preparation of herbarium specimen at Ulu Gadut Campus
24 Dec.	Hotta, Okada, Kato Ichino, Rusjdi, Anes	Preliminary research at Lolo (setting plot of <i>Impatiens</i> spp. and <i>Monophyllaea</i> spp.)
25 Dec.	Okada, Kato, Ichino	Field research at Ladang Padi (pollination of <i>Monophyllaea</i>)
25 Dec.	Hotta	Data analysis on plots
25 Dec.	Erizal	Left Padang to Singapore
26 Dec.	"	Left Singapore to Osaka
26 Dec.	Hotta, Okada, Kato, Ichino, Rusjdi, Andi	Field research around Airsirah (surveying <i>Impatiens</i> pollination, collecting herbarium specimen)
27-28 Dec.	Hotta, Okada, Kohyama Kato, Ichino	Data analysis and discussion with staffs of Dept. Biology, Andalas Univ.
29 Dec.	Hotta, Okada, Kohyama Kato, Ichino	Data analysis and preparation for field research at the summit of G. Gadut
30 Dec. -3 Jan. 1988	Hotta, Okada, Kohyama Kato, Ichino, Rusjdi Anes, Koike (visitor from Kyoto Univ.)	Field research to G. Gadut (plot census, observation of <i>Nepenthes</i> spp. and pollination survey of <i>Impatiens</i> sp. nov.)
4-5 Jan.	Hotta, Okada, Kohyama Kato, Ichino	Data and sample analysis in Ulu Gadut Campus (the first synthetic meeting for the research on 4 Jan.)

Date	Personnel	Subject
6-8 Jan.	Kato, Ichino S. Nakano (Visiting Fellow in Andalas Univ.)	Field research in Airsirah (observation of pollination of <i>Impatiens</i> spp.)
6 Jan.	Hotta, Okada, Kohyama	Data analysis in mess
7 Jan.	Hotta, Kohyama	Presentation of seminar for staffs of Andalas Univ.
7 Jan.	Okada	Herbarium work in Ulu Gadut Campus
8-9 Jan.	Hotta, Kohyama	Synthesis of results of field research and preparation of the progress report
10 Jan.	"	Left Padang to Jakarta
11 Jan.	"	Visited LIPI for reporting
12-13 Jan.	"	Stayed in Bogor and visited Herbarium Bogoriense
14 Jan.	"	Left Jakarta to Singapore
16 Jan.	"	Left Singapore to Osaka
8-12 Jan.	Okada, Kato, Ichino	Data analysis at Ulu Gadut Campus
13 Jan.	Okada, Kato, Ichino Idrus, Siti, Nakano	Preparation for field research in Alahan Panjang
14-15 Jan.	"	Field research in Alahan Panjang (<i>Impatiens</i> pollination, sampling of cytological materials)
16 Jan.	Kato, Ichino	Field research in Alahan Panjang (<i>Impatiens</i> pollination)
16 Jan.	Okada	Laboratory work at Ulu Gadut Campus
17 Jan.	Okada, Kato, Ichino Nakano	Preparation for field research in Ulu Gadut
18-21 Jan.	"	Field research in Ulu Gadut (pollination of <i>Musa</i> , growth of <i>Schismatoglottis</i> , sampling of cytological materials)
22 Jan.	Kato, Ichino	Field research in Ulu Gadut (observation of pollination of <i>Musa</i> and Zingiberaceae)
22 Jan.	Okada	Laboratory work at Ulu Gadut Campus and preparation for field research in Bt. Gadang
23-24 Jan.	Kato, Ichino	Data analysis at Ulu Gadut Campus
23-26 Jan.	Okada, Rusjdi, Bujang Anes	Field research around Bt. Gadang and Solok (observation of <i>Nepenthes</i> and <i>Impatiens</i>)

Date	Personnel	Subject
25-27 Jan.	Kato, Ichino, Idrus Siti, Nakano	Field research in Sg. Dareh (collection of pollinators)
27 Jan. -6 Feb.	Okada	Laboratory work at Ulu Gadut Campus together with students of FMIPA, and preparation of progress report
4 Feb.	"	Presentation of seminar to staffs of Dept. of Biology of Andalas Univ.
28-29 Jan.	Kato, Ichino	Data analysis in mess
30 Jan.	Kato, Ichino, Nakano Budi	Field research in Airsirah and Alahan Panjang (observation of pollination and seed set)
31 Jan. -6 Feb.	Kato, Ichino	Data analysis and preparation of progress report at Ulu Gadut Campus
7 Feb.	Okada, Kato, Ichino	Left Padang to Jakarta
8 Feb.	"	Visited LIPI for reporting
9-10 Feb.	"	Visited Herbarium Bogoriense and Museum Bogoriense
11 Feb.	"	Left Jakarta to Singapore
12 Feb.	"	Visited Singapore Botanical Garden
13 Feb.	"	Left Singapore to Osaka
