### The second seminar on malignant lymphoma in Kagoshima

Sato E and Hasui K (Organizing Committee) Report .....	1
Kikuchi M. Greeting of the first seminar's organizer .....	3
Sato E. Greeting of the second seminar's organizer .....	3
Organizing Committee Program and the participants .....	4

### Invited lectures

Lennert K. Conceptual basis of the classification of malignant lymphomas .....	7
Feller A.C., Malisius R., Venske T., and Merz H. New immunohistochemical methods for the visualization of formalin-sensitive antigens in routinely processed paraffin-embedded material .....	33
Feller A.C, and Merz H. The significance of cytokine expressisn in Hodgkin's disease and anaplastic large cell lymphoma.....	39
Suchi T., Akaza K., Motoori T., Nakamura S., Kosikawa T., Kitoh K. and Kojima M. Primary gastric lymphoma of B-cell phenotype with special reference to low-grade B-cell lymphoma of mucosa-associated lymphoid tissue (MALT) in Japan.....	43

### Invited papers

Mori S. and Shiota M. A novel 80kDa protein-tyrosin kinase in a human anaplastic large cell lymphoma with t(2;5)(p23;q35) .....	53
Nanba K. Characteristics of extranodal lymphomas in Japan .....	57
Tokunaga M., Uemura Y., Yamamoto N., Itoh T., Arikawa J. and Hamasaki Y. Epstein-Barr virus in malignant lymphoma .....	61
Takeshita M., Akamatsu M., Shibata T., Ohshima K., Kikuchi M., Kimura N., Okamura T., Nishimura J., Uke N. and Kozuru M. A study of so-called marginal zone lymphoma of the lymph node as a distinct disease entity .....	65
Ohsawa M. and Aozasa K. Malignant lymphoma developing from long-standing inflammation and MALT lymphoma .....	73
Takahashi H., Hideshima K., Kawazoe K., Tsuda N., Fujita S., Shibata Y., Okabe H. and Yamabe S. Comparison of silver-binding nucleolar organizer regions (AgNORs) between myoepithelial sialadenitis and low-grade B-cell lymphoma of salivary gland .....	77
Ohshima K. and Kikuchi M. PCR technique in the study of malignant lymphoma.....	85
Izumo S., Umehara F., Kashio N., Kubota R., Sato E. and Osame M. Neuropathology of HAM/TSP; subsets of cellular infiltrates and detection of HTLV-1 provirus in the spinal cord lesions .....	89

### Case reports

Nomoto M., Shirahama H., Yokoyama K., Hasui K. and Sato E. Two cases of gastric lymphomas of MALT type.....	93
Ono N., Tasaki K., Nakamura N., Nozawa Y., Tominaga K., Hojo H., Abe M. and Wakasa H. Three cases of primary gastrointestinal malignant lymphoma .....	97

Shamoto M. A primary gastric T-cell lymphoma with Ki-positive cells.....	101
Nagashima R., Maeda K., Matsuda M., Fuyama S. and Imai Y. A case report of gastric tumor possibly of Histiocytic origin (True histiocytic lymphoma of stomach?) .....	103
Hasui K., Tashiro Y., Kitamura H., Shimizu K., Tanaka S. and Sato E. A case of adult T-cell leukemia/lymphoma in stomach .....	107
Shamoto M. and Shinzato M. A primary T-cell lymphoma of descending colon?.....	111
Wakimoto J., Iriki A., Hasui K. and Sato E. A case of lymphoproliferative disease of lung .....	113
Akamatsu M., Yoneda S., Suzumiya J., Ohshima K., Takeshita M., Kikuchi M. and Kasahara K. Low-grade malignant B-cell lymphoma of MALT type of the lung.....	117
Kitajima S., Goto M. and Sato E. A case of centroblastic lymphoma in the brain .....	121
Hasui K., Sato E., Sueyoshi K., Matsushita Y., Sakae K., Maemura M., Maemura K., Funasako S. and Tachiwada M. A case of invasive cortical thymoma involving unusual B-cell hyperplasia forming germinal centers .....	125
Sueyoshi K., Yonezawa S. and Sato E. A case of malignant lymphoma in breast.....	129
Nakamine H., Nishino E., Kuribayashi K., Takenaka T., Kohnami S., Tamura S., Tsuda T., Okamoto Y., Ohta K., Takagishi C., Saika S., Kawashima T., Okamoto K. and Morita N. Development of intra-orbital follicular lymphoma and intra-oral MALT type lymphoma in a single patient.....	133
Yamabe H., Haga H., Kashu I., Watanabe C. and Kobashi Y. Malignant lymphoma of mucosa-associated lymphoid tissue (MALT) type associated ascariasis in liver.....	137
Yamamoto N., Fujisaki H., Uemura Y., Tokunaga M., Kubota R., Tara M., Niina K. and Mizutamari K. Splenic gamma/delta T-cell lymphoma: Report of a case .....	141
Maeda K., Matsuda M., Nagashima R. and Imai Y. A case report of unusual malignant lymphoma possibly derived from spleen .....	147
Sakuma T., Takeda R., Suzuki Y. and Satodate R. A case of the testicular lymphoma.....	155
Ichinohasama R., Shigihara Y., Imaizumi M. and Sawai T. An analysis of pre-B cell lymphoblastic lymphoma of the skin by using 3 color flow cytometry .....	157
Nakamura S., Koshikawa T., Kojima M., Motoori T. and Suchi T. A case of aggressive natural killer cell lymphoma .....	163
Yamabe H., Kobashi Y., Yuba Y., Haga H. and Kashu I. A case report of CD56-positive aggressive lymphoma involving skin and subcutaneous tissue .....	167
Mimura R. and Mori Y. Cutaneous T-cell lymphoma with monoclonal plasmacytosis .....	171
Shibata T., Akamatsu M., Ohshima K., Takeshita M. and Kikuchi M. A subcutaneous tumor on the chest with Hodgkin's disease like features.....	175

#### Japanese pathologists in the Kiel University

Mori Y. Japanese pathologists in the Kiel University .....	177
